Notable Traits	Traits		
	2 Head Eye scarring(not detrimental)		
Assessor Comments	A Lovely line of Angus females naturally joined to Twynam Angus Heifer bulls. Heifers show very good frame and carry a clean bill of health. They present evenly and show all the quality traits the breed desires. They are in ideal calving condition and show excellent temperament. Twynam ag has a strong focus on genetic improvement and feed efficiency, and heifers would be a welcomed addition to any enterprise. Twynam ag have strongly adapted to the Halter virtual fencing technology and these heifers have had collars on them from the 15th of January. A program which has been deemed a strong success within their business. Please call for further information. Vendor has numerous lots on offer
