Assessor Comments	Quality line of composite heifers joined to Twynam Composite heifer bulls. Heifers show very good frame and type along with softness. They are in ideal calving condition and show excellent temperament. Twynam Ag has a strong focus on genetic improvement and heifers would be a welcomed addition to any enterprise. Twynam ag have strongly adapted to the Ghater virtual fencing technology and these heifers have had collars on them from the 15th of January. A program which has been deemed a strong success within their business. Please call for further information. Note a full individual animal breed break up is available upon request.
