Assessor Comments	A/c Cuyuac – A genuine line of breeder cows and calves only 4 & 5 years old. 1 mark. Purchased as PTIC cows off Auctions Plus in December last year, off "Curry Flat", Cooma NSW. They have very sappy Angus calves at foot, with 21 steer calves marked today & 12 heifer calves. These calves are sired by an AI son of Millah Murrah Paratrooper. The cows are doing a very good job on their calves and are in healthy store condition, ready for the bull of your choosing. They are quite and excellent to handle.
