Notable Traits	Traits
	1 Head Twisted Nose (see photos)

Assessor Comments	42 GQ NSM Crossbred Cows & 35 Calves. There are 35 Units & 7 PTIC Cows. Majority are 1st Calf Heifers that should develop into Medium Frame Cows with the odd Small & Large Frame amongst them. They are best suited to split & fatten with some of the better Cows worthwhile splitting off to retain as Breeders. Majority are Quiet with Good Feet & tidy heads. 100% were weighed & assessed after 6 hours off feed & water. Please factor above trait into your bidding. Ayrshire has some Prickly Acacia which is not in seed at present. Vendor has 1 deck of Feeder Heifers in the Weaner sale. Both mobs are running together & it would be appreciated if buyers could deliver in a similar timeframe. *Please note delivery comments. The 7 PTIC Heifers will be priced \$500 off the sale price.*
