Assessor Comments	These 5 STUD HBR Cows are being offered as surplus to requirements. They are proven breeders, very quiet, structurally sound with great udder quality. They are PTIC to either AI, predominately to Trio Utopia U101 and followed up naturally by Elite Paringa Sire Statesman's S115 Maternal Brother. All health treatments such as drenching, selenium ,cobalt etc have been done. They are JBAS 8 and Pesti Free. They represent a wonderful opportunity to purchase proven stud cows which have produced outstanding stud progeny. Note Cow R69 has slight pink eye scarring, not detrimental. You may purchase with absolute confidence in these cattle. Surplus STUD cows which can be transferred at the purchasers' expense. PTIC to ELITE ANGUS SIRES
