Assessor Comments	Mostly very good and good quality cows, that are Vet pregnant in calf to quality Sevenangle Droughtmaster bulls. These cows have been selected for fertility, temperament and type over many years. These breeders are ideal replacement breeders or calve out and trade or take through to a split. The progeny of these breeders show high performance from backgrounding, through to slaughter as either grass or grain fed as well as high demand when being sold as weaners. PLEASE NOTE vendor offering free delivery 100km radius of property (including to major selling centre of Dalby) And 3 month delayed payment to pre approved purchasers.
