Assessor Comments	Gilliland Livestock Marketing offers 27x27 Brangus cross cows and calves. A very neat line of Brangus and Angus cross cows that present in store condition after grazing the native pastures in the Scenic Rim area. They are doing an excellent job on the calves at foot, these calves range from 2-6 months. Cows have also been running back with Nindooibah Ultrablack bulls. Overall, a very nice line of young to middle age cows and calves that will excel and be an asset to any breeding program.
