Vendor Bred	Yes Cattle not tagged at time of assessment, and will be tagged prior to delivery				
Stock History	These heifers are out of top quality EU, vendor bred New England females. Moderate frame cows with high indexing figures that produce progeny sort after year on year by a range of feedlots & restockers.				
Lifetime Traceable	100% of cattle in this lot are Lifetime Traceable				
Breeding Comments	The particular "Tanglee" LBW Angus bulls are proven year on year, a comment from the vendor "very little assistance is made with heifers, as years of breeding it could be less then 3% mortality in an operation that calves down as many as 600 heifers				
Grazing Conditions	These heifers have been grazing a mix of both improved pasture + fertilized native grasses. They have maintained realistic weight gains through of quite a dry summer. Heifers have been returned to same. Returned same				
Burr/Seed in Coat	No Burr or Seed of weeds declared noxious observed in the coats at assessment				
HGP Status	The owner declares that the cattle have not been treated with HGP at any period of their lives				
Health Treatments	Drenched	14/04/2025	Cydectin Platinum		
	Vaccinated	12/01/2026	7in1	Booster	
	Vaccinated	12/01/2026	Selovin LA	Booster	

Vendor Comments	159 EU Angus PTIC heifers, under usual circumstances there would not be an opportunity to attain this number of females, unfortunately due to ongoing weather the decision has been made. Offered to you in two lots in a "run out the gate" 80 & 79,				
Joining Details	Station Mated bulls put in: 14/10/2025 bulls taken out: 15/12/2025 (63 days) Bull Breed(s): Angus To the vendors best knowledge, this lot has had no access to bulls or stags aside from stated joining period.				
Preg Tested?	Yes, this lot was pregnancy tested, by Bill Harris (Non-Vet Contractor) on 21/01/2026. 80 Head (100%) PTIC, from 6 to 7 months (at time of assessment 13/05/2026). Certificate Available.				
Other Joining Details	Heifers to Commence calving mid-July. Joined for 8 weeks				
	Quality Grades		Store Condition		
	Very Good	70%	Fwd Store	85%	
	Good	30%	Store	15%	
Temperament	Yards		Crush		Paddock
	Quiet: 50 head Slightly Stirry: 20 head Stirry: 10 head		Quiet: 40 head Slightly Stirry: 40 head		Temperament not assessed in Paddock
	These heifers have had the full program, handled by experienced stock people at weaning with dogs, side by sides on foot and with horses, it has been noted & discussed at assessment these heifers are not up to the usual standard the vendor would like, they are free flowing through out the yards, at assessment there was minimal fuss while working cattle through the weighing. Attached in videos heifers free moving but respectful, under pressure a % of heifers may stir up.				
Handled With	Bikes , Dogs , Horses , On foot , Vehicles				
Notable Traits	Traits				
	1 Head	birth mark, over eye			
	2 Head	Single eye scarring			
	15 Head	Small white traits on udder			
	1 Head	Small white traits on undercarriage			
	1 Head	Warts on face, not detrimental			
Assessor Comments	A total of 159 EU vendor-bred Quality First Calf Heifers, PTIC to proven low birth weight, high indexing Angus bulls, selected with a focus on above-average IMF, 600-day weight, and positive calving ease. These heifers are being offered in two "out the gate" lots of 80 head and 79head, presenting an excellent opportunity to secure a large, even line. Lyndhurst is a large-scale breeding operation in the Northern NSW New England region, with a long-standing focus on developing medium to large frame, functional cows that consistently produce highly sought-after progeny suited to both grass-fed and grain-fed markets. This offering represents access to many years of dedicated breeding and genetics for future females with there whole lives ahead. The heifers are fully up to date with animal health treatments, including: Selovin LA 7-in-1 vaccination Pestigard Cydectin Platinum They have been joined for 8 weeks and are due to commence calving from mid-July. vendor's continued use of Tanglely Angus bulls, reflecting their satisfaction with calving ease performance and consistency in their heifer program year after year.
