Assessor Comments	An opportunity to secure a quality line of young Angus PTIC breeders 620kg at assessment. Cows purchased from the Knox family herd dispersal in November as cows and calves. Cows are in forward store to forward condition with the calves being weaned in Feb due to dry conditions. Cows are scanned back in calf to the Gilmandyke stud bulls to commence calving early July for 8 weeks. Big roomy females that will be a quality addition to any operation. Only selling due to deteriorating season.
