Assessor Comments	A very nice line of Black Composite Heifers . The vendor has joined for a number of years to top quality Hicks Black Composite bulls for growth and fats to which have excellent feedback from feedlotters year in year out for their livestock. Heifers have been foetal aged preg tested by HVC in late February for a 2 week calving window being the draft of the 3rd cycle. Cattle presents in store to forward store condition and are offered for sale as surplus, vendors have a vet tested Pesti Immune Herd, Greenhams Never Ever Accredited
