Assessor Comments	Bobby McGees "Welaregang Station" offer 60 angus rising 4 year old cows. These cows are EU accredited and are based out of a noted and renowned upper murray cow herd. With Dunoon and Table Top Angus bloodlines these cows present extremely well for age. With bulls predominantly chosen for growth and marbling traits these cows would be a perfect add to new or existing herd base. Cows are PTIC to Dunoon S1168, S267, R746 and Table Top U388, S280 all with large EMA & IMF traits accompanied with cow relevant birthweights calves will come out on the do heading into the coming spring months. Cows would be perfect additions to and established cow herd or fantastic opportunity to start a fresh quality line of young cows.
