	Cows flowed very well through yards and race, with some slightly stirring in crush when being mouthed, however settled quickly once released back into mob. Generally, cows were a pleasure to handle.		
Handled With	Bikes , Dogs , Horses		
Assessor Comments	A tidy line of Speckle Park / Speckle Park x cows with plenty of years left in front of them. Cows have been running on lighter trap rock country so should perform on most types of country. Cows are only for sale as lease has ceased and on going dry seasonal conditions. Would be ideal for potential buyers looking to replenish breeder herds or someone looking for trade option to calve out and fatten.
