Assessor Comments	On offer - A genuine herd reduction of Angus females from a passionate breeder. Quiet and well-bred line that has been a pleasure to handle from start to finish. Generally a very even line of cattle showing a strong concentration of desirable traits, notably quiet temperament and well-structured, durable feet. Only on offer due to the owner downsizing, this is a genuine reduction of quality breeding cows. These cattle will respond well to good feed, the season has been tight and they will fatten quickly. Calves all weaned off in March. Note Millah Murrah breeding for 20 years, other females same vendor on offer this sale.
