Assessor Comments	Quality line of renowned South Kolora Heifers, (Property Sold), Opportunity to purchase an outstanding line of springing cows, PTIC for a July/August calving. South Kolora Heryhave been breeding commercial Herefords since 1960. Cattle have a wealth of breeding behind them and the opportunity arises for those that seek to add a strong line of genetics to their herds or to start out with an existing history of pure Hereford genetics. South Kolora Herefords have built a strong reputation for a breed showing plenty of length and depth and also longevity. Highly recommend of noted preforming cattle that will not disappoint
