Assessor Comments	A small line of 10 EU Accredited Angus Cows that are PTIC to an Angus bull & present in good forward condition. These cows ranging from 7 to 8 years old are proven breeders & were selected for their fertility & have produced some of the districts leading weaners for the last 4-5 years at the local Stanthorpe sales. Some of the bloodlines associated with the herd include Alummy Creek & Glenavon & are ideally suited to any graziers looking for breeders to improve their herds. This is a rare opportunity to secure top quality Angus genetics & are only being offered for sale due to the unseasonal dry conditions.
