Handled With	Very easy Cattle to handle through the yards. Bikes , Dogs
Assessor Comments	Well presented line of quality Angus Heifers, PTIC to Hazeldene Angus Bulls. Joined 15th September for a mid June calving. Approximately 3 have slight white on udder and 1 on belly, still very acceptable. Heifers purchased July last year from Victorian sales. Heifers show no effects of drought with dung still soft as per photo. Grass still has a green butt. Ideal to calve out or kill for the trade.
