Handled With	Cows flowed through yards and race with little trouble during drafting and assessing process. Bikes , On foot , Vehicles		
Assessor Comments	The sale of these cows represents part of the Allawah herd dispersal. In the prime of their breeding life, a great opportunity to secure quality females. Majority in forward store condition with some prime. Medium to large frame cows, all have calved annually. PTIC for a Spring calving giving the purchaser a chance for a quick return on investment.
