Assessor Comments	A nice line of Angus PTIC cows offering a strong breeding opportunity, Cows are only 2nd calvers so they have just reached their prime breeding years, Preg tested back in calf to a Glengowen Angus bull with 9 head over 3 months in calf and 39 head 4 months and over in calf, An ideal line to add to your breeding herd. Please Note: there is an odd cow with scarring or a blue eye	
Assessor	James Rich (Level 3 Accredited)
