	Quiet: 22 head	Quiet: 21 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
Handled With	Heifers have been handled well and are educated Bikes , Dogs , On foot , Vehicles		
Assessor Comments	Heifers that were selected to become replacement breeders. The tight season is forcing the sale of the PTIC heifers from Oatleigh. Preg tested last years first calves with a 98% re join up rate from them, speaks volumes of the cattle. The are very well grown for age and very few calving problems every exist in the OPC program. Try this genetic package and watch you bank balance grow. Combine high performance genetics with the benefits of hybrid vigour. Hicks composite genetics used for numerous generations. Hicks composites have a demonstrated performance background with ready acceptance into all mainstream supply lines. Hicks composites frequently outperform in the highly regarded NSW Beef Spectacular Feedback trial.
