Assessor Comments	Buyers, on offer isa Full Dispersal of 7 Piedmontese Cows and Heifers. This group presents an excellent opportunity to secure proven, performance-driven females suited to a range of breeding programs. These cows exhibit the hallmark traits of the Piedmontese breed, including natural muscling, structural soundness, and the ability to produce lean, high-yielding progeny. They are ideal for both stud and commercial operations, with strong maternal instincts and reliable fertility. Carefully managed and in good condition, this line of seven represents a productive and consistent genetic package ready to contribute immediate and long-term value to any herd. Please note, 5 Cows and 1 heifer are preg-tested empty while 1 heifer is PTIC to a LBW Kennys Creek Angus Bull.
