Notable Traits	Traits 4 Head White udder			
Assessor Comments	A neat run of NSM young cows. Cows are 2.5 years and were all purchased as PTIC heifers from local Monaro producer 'Lake Bullenbalong' as one run. Cows were not re-joined and have just had calves weaned off recently. ideal article to fatten and trade or ready to join to the bull of choice. Regretful sale, only on offer due to tightening season and property is currently on the market. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga.
