Assessor Comments	7 Purebred, Registered Shorthorn cows. These cows have been excellent breeders for the vendor and will breed well for any buyer. Some cows were purchased as heifers from stud sales and the others bred from some of Chester Shorthorns top cows by Ai and top bulls purchased in their breeding programs. The only reason for selling is that the bull they ran with last year had a leg injury and they didn't get the opportunity to get in calf they were carried through to join again but the vendors have decided to scale back their breeding operation.as an added bonus the vendor will include 7 semen straws of Futurity Maverick R257. Please note there is 2 lots of heifers in the weaner sale.
