Assessor Comments	Outstanding line of future breeders! Bred from the heart of the Table Top Angus commercial herd, by select Stud retained & A.I Sires. These are beautiful females with excellent length, a deep barrel & a real 'easy doing softness' about them. These young healthy females are heavy skinned, extremely maternal & just pure class. Very pretty faced, well balanced & carrying all the desired attributes you look for when selecting your future breeders - top quality girls that tick every box! In healthy, forward store condition, with a real bloom about them, these magnificent young heifers ooze quality & would improve most commercial herds & please the most discerning buyer. An excellent example of the Table Top Angus brand, and a beautiful line of heifers we couldn't recommend higher!! In perfect condition to take on & join. Note. To be sold in '4 pens alike' giving every buyer an opportunity, whilst also giving the highest bidder the opportunity to buy multiple pens at the fall of the hammer & put together a large line of top quality young females.
