Assessor Comments A good line of heifers in store condition. Heifers have had dry conditions since birth. There are 7 heifers in the group with minor white underneath. 2 heifers with old pink eye scarring and 1 with active pink eye at assessment which was treated. Heifers given the opportunity have plenty of genetics to go on and perform in the right conditions. Heifers are sired by Dunoon & Dulverton Angus Bulls. Heifers are grass fed, antibiotic free and EU accredited. Vendor has retained 60 of these heifers for future breeders. Agent has other lots in sale, all cattle within 30kms of Singleton ideal to fill trucks.
