	Very good to handle. They traveled through crush and race very well.		
Handled With	Dogs , Horses , On foot , Vehicles		
Assessor Comments	Very good quality line of Vendor bred and Antibiotic free heifers that show great growth for age. These heifers are of good frame and are of good weight considering the conditions they have faced over the past few months. Soft coated and Ideal heifers to take onto heavier markets and background and feed for domestic markets. Or pretty enough to go on and be an addition to breeding operation.
