Notable Traits

Traits

1 Head Scarring in one eye

Assessor Comments A nice line of Angus Weaner Steers, Steers are July/ August drop so still have plenty of time to grow out and they certainly carry the potential to do so, All Karoo blood and have been weaned for over a week prior to assessment they are ideal steers to put away on a winter crop and grow out to feeder or kill weights. Note: one steer has Scarring in one eye
