Temperament

Yards

Crush

Paddock

	Quiet: 26 head	Quiet: 24 head Slightly Stirry: 2 head	Temperament not assessed in Paddock
Handled With	The steers are a well bred quiet line that have been weaned and on the up. Bikes		
Assessor Comments	The line of steers has good genetics and growth for age with the Kidman Angus genetics combined with the solid Hereford and Angus maternal genetics giving them a solid start. They are showing solid bone and structure with good potential. They have been properly weaned and will continue their upward trend on good feed.
