Temperament not assessed in Paddock

Heifers exhibited a nice quiet temperament at assessment. They were drafted off the cows in a round yard with no issues and walked through the race/crush comfortably.

Handled With	Bikes , Vehicles
Assessor Comments	A good quality line of young Angus heifers bred at cold, high altitude on red basalt country. They are a late September to November drop. Out of medium and mostly large frame cows, the heifers are showing quality breed attributes and will continue onto desired weights given favourable conditions. Note heifers will be weaned on delivery.
