Assessor Comments	**Angus Steers**, 8-9 months Great opportunity to purchase a lead draft of Spring drop Angus steers. Bred from Cambraian Angus bulls using industry leading sires. These steers have been set up correctly to perform for the purchaser, being yard weaned and receiving all health treatments 5 weeks ago. Steers are starting to show bone and depth as they get up and going post weaning. Grass Only and Antibiotic free these steers could do any job and taken on for feeders or to export weights.
