Assessor Comments	Reedy Creek Pastoral Company were unfortunately extremely affected by the 2026 January Longwood bush fires at their home property in Molesworth, Victoria. Thankfully the opportunity arose to place their weaned animals on agistment in Broadwater & with the careful guidance of the property owner we are able to offer these animals up for genuine sale. Deriving from an extremely docile herd with noted growing ability provides an opportunity to purchase an animal that will flourish in the coming months ahead. Previous purchasers have always provided exceptional positive feedback regarding the RCP animals and they are generally purchased by repeat local buyers in the North East area who specialize in producing feeder weight articles. This particular consignment represents the "lead draft" of weaned steers with their smaller brothers also available in this sale.
