	Extremely quiet and beautifully natured cattle an absolute joy to draft and handle					
Handled With	On foot , Vehicles , Buggy					
Assessor Comments	Quality line of young angus weaned steers that display their depth of breeding with ample bone, depth of body and thickness. A very neat draft of steers that have tremendous weight for age with the potential to grow on to feeder weights or carry through to heavy weight slaughter bodies. A very impressive line of front paddock calves. * Note, the vendor has 4 lines on offer in this sale with no calves retained of either sex.
