Notable Traits	Traits 1 Head Cloudy Eye from old pink eye			
Assessor Comments	Very quiet easy to handle young cattle bred out of quality Heifers. These weaners had a tough start but continue to show plenty of potential. An ideal line of young Heifers showing good bone & structure to put out on green pastures and take on as future breeders or backgrounders for the feedlot. Vendor offering the brothers to these heifers as a line of 13 Steers in same sale.
