| Assessor Comments                     | An outstanding line of quality Angus steer weaners. Suit the discerning backgrounder or feedlot to take to heavier weights. Younger steers were removed , as were any blemishes. Just have a look at the great bone and muscle definition on this top line of calves. Note an excellent weight for days of age. They were a pleasure to handle in good facilities. With the feeder steer market strong this is your opportunity to capitalize. Vendor has other lots in this sale. |
