Assessor Comments	Top quality line of NSM future breeders. These heifers would suit any operation to take onto join to bull of choice or continue onto Feeder/Kill weights. They are bred from on of the better beef herds in the Batlow region. With vendors selecting the top end sires from many top end Angus studs around. The Glynn cattle are well known for their temperament & doing ability. Highly recommended by assessor. Any questions please give myself a call. Please see other lines of steers and heifers on offer on behalf of the Glynn family, opportunity to put 4 lines back together.
