Cattle were yard weaned for 7 days, steers were well behaved.

Handled With

Bikes , On foot

Assessor Comments	A nice line of vendor bred calves that have been weaned correctly and being up to date with their health treatments . Well bred calves that are sired by a Hierarchy H152 son out of large frame angus cows.These calves will suit any desired program and have been well known for doing ability and high IMF in feedlots or future breeding programs. Please note 2 heifers have white on their underbelly
