Assessor Comments	Angus heifers Aug/Sept '25 drop, AI-bred to Millah Murrah Trigger T203 and backup bull Jade Park Trendsetter T271. No heifers were retained; tops of drop with a tail removed. Outstanding line of future breeding females, full of quality, weight for age, softness and shape. They are very quiet and well-handled. I highly recommend this quality line of heifer weaners. The vendor has 51 steers in the sale as well.
