	Cattle moved freely through the yards. An odd beast in the race was very pushy, & in the crush was unsettled & bounced around. Once they were back out in the mob they settled well. Walked around them taking photos & video's comfortably.

Assessor Comments	An excellent opportunity to purchase a very well bred line of Angus Heifers. The Wortmann family have been breeding Angus cattle at Granya for the past 40 years. These weaners are becoming an annual offering on Auctions Plus, prior to that they were sold in the Wodonga Blue Ribbon Angus Weaner sale, attracting repeat buyers which testifies to their performance & do-ability. These weaners show great frame, stretch & softness and would be ideal future breeders or fatten for the trade market. Tail draft removed. *Grass Fed & No Antibiotics*
