Assessor Comments	A genuine opportunity to put together a smart run of well-bred Murramungee Angus HBR Registered Angus heifers from their annual production sale. Docility is in the breeding with sires from Rennyalea, Baldridge, LVVF & Murramungee, it's easy to see why these heifers are so quiet & easy to handle in the yards with no stress. Currently in their winter woolies, but showing plenty of potential for future breeders or continue to grow out. With all the boxes ticked, you won't be disappointed. Note: Another lot of 4 younger second draft lighter weight Angus Heifers from the same vendor in this sale.
