Assessor Comments	A well bred line of Angus & Angus X heifers ideal to fatten for the hook or join to a bull of buyers choice. Heifers purchased as weaners in 2025, ex locally & Vic, and have grown out nicely. Heifers display softness, femininity and strength of character. Please note a complete line of 156 offered with a run out the gate delivery (Black Baldies will be in even spilt). Very small percentage noted with slight pink eye scarring, 1 with small wart on eye, small percentage noted with white hair on belly.
