Assessor Comments	Excellent line of EU accredited Poll Hereford Heifers. The Senior Park herd has had an outstanding reputation for high quality Poll Hereford cattle for many years. This group represent future breeders that are surplus to the herds and managements requirements. Long bodied, easy doing, well marked Hereford heifers. This operation has only purchased sires at the top end for decades, with main selection being for strong growth, doing ability and fertility. This group present in strong forward store to prime order. Tail end has been taken out. A good opportunity to purchase genuine breeder's cattle.
