Assessor Comments	A near on perfect three deck consignment of Angus weaner steers. August / September drop by the Ben Nevis, Millah Murrah and Redbank sires the quality really does shine through. Yard weaned back at the start of March and now have been on fresh oat crops for the last six weeks. Cattle that are really hitting their straps and will be early out the gate when it comes to being heavy export feeders in the spring. Quality calves throughout, all the boxes ticked, not to be overlooked
