Assessor Comments	37 x Angus heifer weaners. July/Aug Drop 25' 226kg empty. Good quality cattle that were yard weaned early in February due to a tough summer. Since weaning they have been running in a lighter paddock and are ready for a better feed situation. They are well bred cattle sired by quality Dunoon and Hazeldean bulls. Renowned cold country cattle that do perform. 2 heifers were retreated for Pink eye at assessment. 16 steers are in this sale also.
