Assessor Comments	16 x Angus steer weaners. July/Aug Drop 25' 221 kg empty. Good quality cattle that were yard weaned early in February due to a tough summer. Since weaning they have been running in a lighter paddock and are ready for a better feed situation. They are sired by quality Dunoon and Hazeldean bulls. Renowned cold country cattle that do perform. 37 heifers are in this sale also.
