Assessor Comments	Randell Pastoral presents a small but quality line of 5 Angus X Angus steer weaners, offering buyers the opportunity to secure well-bred cattle with proven performance genetics behind them. These steers are bred from Angus cows and sired by carefully selected Merridale Angus bulls, renowned for producing cattle with excellent growth, structure, temperament, and weight-for-age performance. The result is a line of steers displaying good length, bone, softness, and overall balance. Although a small offering, these steers are an even and genuine group that have been bred and raised under commercial Upper Murray conditions. They present in healthy store condition and are ideally suited to backgrounding, grass finishing, or feeder programs targeting domestic and export markets.					
Assessor	Justin Costello (Level 1 Accredited)
