Assessor Comments High quality line of Lawson Angus blood EU accredited Angus Steers weighed in a weight range of 350-470kgs full at assessment. Linton Park have been selecting Lawson Angus genetics for 20+ years with a focus on growth, marbling & temperament. The herd has developed a proven track record of performance targeting high-end feedlot markets, with marbling & growth performance in the top echelon. These steers are in ideal condition to continue to take forward on crop or in a feedlot with a lot of compensatory growth to be had. Please call for further information.
