	Heifers overall handled well. There was the odd animal that was a bit stubborn when being put up the race and they did have a little run in them when shown an open gate as an exit. Once settled in the mob for photos in the big back yard all of them were quiet and happy to stand there whilst being walked around.

Assessor Comments	A good quality line of 41 NSM heifers that are pure Bongongo blood, 13-14 months of age and are all fit for a spring joining to a bull of choice. Vendors cattle are a great local herd, highly regarded for their breeding and performance. Heifers are by top end bulls which are selected on phenotype & growth.
