Assessor Comments	What an opportunity !! One Hundred years of quality Angus breeding on "Bongongo" behind these exceptional future breeders with these heifers & calves coming out of the core of the Bongongo retain heifer group and representing the middle calvers in the group with calves at foot by sires in the \$16-20k range. All joining sires selected for EBV's comprising positive Rib & Rump fat, lower Mature Cow Weight, High Milk with good 600 day weight, high EMA and IMF data and excellent phenotype. Heifers present in fresh forward condition and are pumping everything into their 3-6 week old calves. Bred from a great background of roomy proven matrons, these heifers display length, shape, femininity and oodles of milk. Paul and family are offering two lots of heifers and calves in this Bongongo Feature Sale to commemorate 100 years of Angus Breeding by the Graham family under the Bongongo banner.
