Assessor Comments	On offer is 15 Bongongo Angus heifers that are right on the point of calving. This line is offered with the vendors guarantee of a live calf on the ground by the end of September for delivery to be taken wk commencing 12/10. 2 days after assessment their was already 8 head that had calved. Quality outfits that are backed by 100 years of Angus breeding and with their whole lives ahead of them. Calves are by high indexing bulls that were put in as back up in an AI group. Heifers are displaying nice maternal traits and overall are excellent phenotypes. This young group of females will continue to mature into a good run of working moderate cows that will be fertile and productive, 2 driving factors of the Bongongo cattle. This is a great opportunity to secure young breeding cattle from the studs commercial herd that would not normally be marketed. For any further information please call assessor.
