Assessor Comments	On offer is 22x22 top quality PTIC mixed aged cows with calves at foot from the heart of the Redhill herd. These 3in1units are an exceptional representation of the Angus breed. All impeccably bred, well grown and have produced and excellent calf year in year out. Everything has been done with this breeding article to ensure buyer confidence. An excellent opportunity to secure some top end Angus genetics. Potential buyers won't be disappointed when these large matrons arrive.
