Assessor Comments	On offer is the annual sale of the very well renowned Kember Family First Cross Ewes. This is the lead draft of the May/June 2025 drop ewes. These ewes are all ex large frame Hay district Bred merino ewes and by Gleneith Super Border Leicester Rams. The Kember family ewes display outstanding weight for age with having plenty of frame and good constitution. Purchasers each year have always noted outstanding fertility in ewes and ability to sell off early suckers on top of arguably being some of the most fertile ewes in the industry. Purchasers please note that the second draft of these ewes is also available in this sale. Potential purchasers can bid with upmost confidence. Please contact myself with any questions.
